

Northlands Wood Primary School, Haywards Heath

Achievement

Congratulations to the following team on their successful completion of Northlands Wood Primary School. The project saw the construction of a new single storey school building, the refurbishment of the extended part of the existing main school building and extensive landscaping. On completion of the new building the existing school building was decanted and demolished with exception of the extension which was linked to the new school building.

The Mansell Project Team Included

Jonathan Close	Senior Site Manager
Matthew Smurthwaite	Assistant Site Manager
Lauren Taylor	Planner
Greg Ritchie	Senior Quantity Surveyor
Kim Mason	Project Co-ordinator

“

Thank you for everything you have done for us. You have made sure that we have been left with a wonderful school. ”
